

# Bachelor of Science (BSc) in Economics

## PROGRAM OVERVIEW

The Bachelor of Science (BSc) in Economics unlocks pathways to vibrant career opportunities in both business and government sectors. This program delves into the allocation of scarce resources, highlighting the significance of decision-making among competing options. It equips students with tools to navigate various domains, including consumer and firm behavior, employment, price stability, trade, international finance, economic growth, public finance, and public policy. With this knowledge, economics graduates can venture into civil service, banking, business, education, or research, positioning themselves to vie for sought-after positions globally.

LANGUAGE OF INSTRUCTION: English

DURATION: 4 years
