

MSc in Business Intelligence and Data Analytics

A/A	Name and Surname	Rank	Discipline / Specialization	Teaching courses in the programme of study			ECTS
				Code	Course title	Periods/ week	
1.	Dr Stathis Hadjimeteiou	Associate Professor	Computer Science	AT500	Applied Artificial Intelligence and Deep Learning	modular (28 hours total)	6
2.	Dr Luca Ferrarini	Assistant Professor	Computer Science	AT600	Digital Transformation of Business & Organizations	modular (28 hours total)	6
				BI405	Database Management and Cloud Computing	modular (28 hours total)	6
3.	Prof. Andreas Artemiou	Professor	Statistics	BI430	Quantitative Methods & Statistical Analysis	modular (28 hours total)	6
4.	Dr Christodoulos Efstathiades	Assistant Professor	Computer Science	BI130	Web & Social Media Analytics	modular (28 hours total)	6
5.	Dr Theodosis Mourouzis	Assistant Professor	Information Security and Cryptography	BI425	Information Security Management for Business	modular (28 hours total)	6
				BI415	Managing Big Data	modular (28 hours total)	6
				BI500	Data Science Research Project	modular (28 hours total)	12
				AT400	Blockchain and Applications	modular (28 hours total)	6
6.	Dr Ioannis Filippopoulos	Assistant Professor	Computer Science	BI395	Foundations of Business Information Technology	modular (28 hours total)	6
7.	Prof. Waldemar Pfoertsch	Professor	University Technology Transfer	MB750	Planning & Starting a New Business	modular (28 hours total)	6

8.	Dr Demetra Kavarnou	Assistant Professor	Real Estate Economics	MB710	Project Management	modular (28 hours total)	6
9.	Dr. Ekaterina Koroleva	Associate Professor	Fin Tech, Digital Finance, Financial Management	FB470	Innovative Financial Technologies	modular (28 hours total)	6
10	Dr. Athanasia Nalmpanti	Lecturer	Strategy, Supply Chain Management	MB675	Operations & Supply Chain Management	modular (28 hours total)	6
11	Dr Ioannis Christodoulou	STF	Philosophy of Education	HR495/MA650	Ethics, CSR & Sustainability	modular (28 hours total)	6
12	Dr Evagoras Xydas	STF	Mechanical Engineering	BI420	Python Programming	modular (28 hours total)	6
				BI410	Data Mining, Visualization and Decision Making	modular (28 hours total)	6
13	Mr. Panayiotis Jacovides	STF	International Management	MB750	Planning & Starting a New Business	modular (28 hours total)	6
14	TBC			AT800	Project management in Information Technology	modular (28 hours total)	6
15	TBC			AT900	Technical Entrepreneurship	modular (28 hours total)	6
16	TBC			MB615	Green and Digital Entrepreneurship & Innovation	modular (28 hours total)	6
17	TBC			FB415	Project & Business Financing	modular (28 hours total)	6
18	TBC			AT750	Mobile Application Development	modular (28 hours total)	6
19	TBC			FB500	Regulation of Innovative Financial Technologies	modular (28 hours total)	6

20	TBC			GC100	Digital Business Tools and Digital Business Development	modular (28 hours total)	6
